Examination Score Report Cisco Certified Network Associate

Date Tested: 02-Aug-2008
Candidate: ahmed mohamed elsayed ismail
Cisco ID: CSC011469582
Registration ID: 226567575
Validation ID: 603584969
Testing Site: 49052
Exam Number: 640-802

Passing Score: 825
Your Score: 867
Grade: Pass

The final score is based on a scale of 300 to 1000 points.
If you are a CCSI, please verify your required score on
the CLP website.

PLEASE READ: IMPORTANT INFORMATION

- You are required to log in to the Certification Tracking System at <http://www.cisco.com/go/certifications/login>
- Ensure that your name and mailing address are correct.
- If this exam completes a certification requirement, instructions will be emailed to you regarding how to obtain your certificate.
- Please allow 10 days for Cisco to receive your exam results.
- Keep the original score report because it is your receipt of completion.
- To receive or stop receiving communications, log into the Certification Tracking System and select your preference in the Opt In/Opt Out section.
- For additional certification and training resources visit <http://www.cisco.com/go/certresources>

For all exams that you wait a minimum of 180 days
before an exam (with an identical exam number).

The following report shows your performance in each section of the exam:

The Certification Exam Policies webpage (www.cisco.com/go/exampolicy) provides a single resource giving key certification policies, agreements, and the CCIE policy page for information specific to the CCIE program. Consult this section for current information on program policies for Cisco Career Certifications exams.
