

Arbeitszeugnis

Herr Ahmed Ismail geboren am 06.08.1982 begann am 01.11.2023 als IT-Administrator in unserem Unternehmen.

Die CONTECHNET Deutschland GmbH ist ein deutscher Softwarehersteller und entwickelt Softwarelösungen für Informationssicherheit, IT-Notfallplanung und Datenschutz. Die einfach zu bedienenden Lösungen ermöglichen es, ein praktikables sowie ganzheitliches Sicherheitskonzept in der Organisation einzuführen und auch im Ernstfall handlungs- und auskunftsfähig zu sein. Zu den Kunden zählen dabei international agierende Unternehmen über alle Branchen hinweg.

Herr Ahmed Ismail war als IT-Administrator vor allem mit folgenden Aufgaben betraut:

- Aufbau und Pflege der Server- und Netzwerklandschaft (onPrem und Cloud)
- Aufbau und Pflege der Clients
- Betreuung der internen Benutzer
- Support für externe Kunden der eigenen Software

Herr Ismail verfügt über ein fundiertes Fachwissen, welches er stets zum Wohle unseres Unternehmens einsetzte. Sein Denkvermögen und seine schnelle Auffassungsgabe ließen ihn auch für schwierige Probleme stets gute Lösungen finden.

Herr Ismail erledigte seine Aufgaben mit großem Engagement und persönlichem Einsatz während seiner gesamten Beschäftigungszeit in unserem Unternehmen.

Auch unter schwierigen Arbeitsbedingungen und Zeitdruck bewältigte er alle Aufgaben. Er ging grundsätzlich planvoll, systematisch und ergebnisorientiert vor.

Charakteristisch für ihn waren seine uneingeschränkte Verlässlichkeit und Zuverlässigkeit. Die Ergebnisse seiner Arbeit waren häufig von zufriedenstellender Qualität.

Wegen seines freundlichen, kontaktfreudigen und ausgeglichenen Wesens wurde er allseits geschätzt. Er förderte durchgehend aktiv die gute Zusammenarbeit und Teamatmosphäre. Sein Verhalten gegenüber der Leitung, Kolleginnen und Kollegen sowie Kundinnen und Kunden war einwandfrei.

Er führte den ihm übertragenen Aufgabenbereich stets zu unserer Zufriedenheit aus.

Das Arbeitsverhältnis endet aufgrund einer Kündigung zum 31. Juli 2024. Wir danken Ahmed Ismail für seine geleistete Arbeit und wünschen ihm für die Zukunft alles Gute und viel Erfolg.

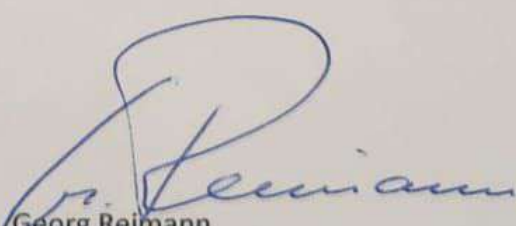

Pattensen, den 31.07.2024

Experience Certificate

This is to certify that Mr. Ahmed Mohamed Elsayed Ismail, of Egyptian nationality, worked for Al Qaed Company from 23/03/2017 to 23/01/2023. During his tenure, Mr. Ahmed held the position of IT Administrator and demonstrated exemplary performance and professionalism.

Throughout his employment, Mr. Ahmed was responsible for the following key tasks:

- **Implementation of New Systems and Technologies:** Successfully implemented and integrated various IT systems and technologies within the company.
- **VPN Setup, Maintenance, and Troubleshooting:** Effectively established and maintained VPN connections, ensuring secure remote access and resolving any issues that arose.
- **Inventory Management:** Maintained a precise inventory list of all PCs and peripheral devices, ensuring up-to-date and accurate records.
- **Remote Support:** Provided remote troubleshooting and support, efficiently resolving IT-related issues for both local and remote users.
- **Network Performance Monitoring:** Monitored network connectivity performance, maintained computer equipment, and ensured all software was up to date.
- **Disaster Recovery Planning:** Prepared a comprehensive disaster recovery plan, ensuring business continuity in case of unexpected events.
- **Complex Network Configuration and Management:** Configured and managed complex networks using high-end switches and routers, ensuring network stability and security.
- **Cloud Services, Exchange, Veeam, and Jira:** Worked extensively with cloud services, managed Exchange servers, Veeam backups, and Jira for project management.
- **Web Design:** Demonstrated proficiency in web design, working on both the frontend and backend of web applications.
- **Programming Languages:** Showed expertise in PHP for backend development, and utilized HTML, CSS, and JavaScript for frontend development.
- **Python Development:** Applied Python programming skills to enhance automation, data analysis, and other IT-related tasks.

Sincerely,
Human Resources

Date: May 30, 2017.

Mr. Ahmed Mohamed Elsayed Ismail, of Egyptian nationality, was employed by Al Payraq Company from February 15, 2014, to April 30, 2017. During his employment, Mr. Ahmed served as an IT Network Engineer, where he consistently demonstrated exceptional technical expertise and a strong dedication to his responsibilities.

Throughout his time with us, Mr. Ahmed was entrusted with a wide range of tasks that showcased his versatility and proficiency in IT administration. He was responsible for resolving networking issues, ensuring smooth LAN and wireless network configurations, and troubleshooting complex technical problems. His ability to effectively manage DNS, DHCP, IIS, and Routing & Remote Access Services, as well as install and configure video conferencing systems, proved invaluable to our operations.

Mr. Ahmed's role also extended to advanced networking, where he addressed connectivity challenges involving Cisco LAN, CAN, WAN, and wireless networks. He played a pivotal role in enhancing our security measures by implementing Zero Trust Security practices within our network architecture. His efforts in migrating legacy applications to a containerized environment further modernized our IT infrastructure.

In addition to his technical duties, Mr. Ahmed conducted thorough penetration tests and security audits, identifying vulnerabilities and significantly bolstering our overall security. He adeptly configured and managed cloud-native security solutions, including Azure Security Centre, and developed a comprehensive Incident Response Plan to ensure rapid and effective responses to security incidents.

Furthermore, Mr. Ahmed was instrumental in setting up and monitoring SIEM (Security Information and Event Management) systems, enabling proactive threat detection and improving the security of our IT environment.

Mr. Ahmed was known for his professionalism, positive attitude, and collaborative nature. His contributions were highly valued, and he played a key role in advancing the IT capabilities of Al Payraq Company.

We thank Mr. Ahmed for his dedication and wish him continued success in his future.

Sincerely,
HR Department
Al Payraq Company
